## Musca-Stik<sup>®</sup> Sticky Fly Trap

Target Pests = Flies.

Musca-Stik™ and Musca-Stik Jr.™ are insecticide-free, odor-free, indoor/outdoor sticky fly traps that attract flies two ways — Musca-Glo™ orange colored paper attracts flies visually while the powerful fly sex pheromone, Muscalure, doubles the attraction power.

- Catches flies without toxic chemicals.
- Use indoors or out, around children or pets, even in food handling areas and sick rooms.
- Traps flies and other flying insects on contact.
- Available in two sizes: 24" Musca-Stik™ and 12" Musca-Stik Jr.™
- Can be hung out of reach of curious children and pets.

Active Ingredient Content: No insecticide vapors, no hazardous chemicals, no poisons.
